As required by Arkansas Insurance Code §23-97-306 and Rule and Regulation 13 s 21, we certify at this time that we have received approval from states shown in the attached list for policy forms substantially similar to those approved by your department for the referenced form series.

We filed our Policy Form 7050 and its attendant forms on a national basis. The attached listing shows the approval date and any substantive variations in coverage or premiums for those forms from that required in your jurisdiction. It also indicates if the state applies rate stabilization or loss ratio standards for long term care insurance premiums. At this time there are 24 states that have not yet completed the review of these policy forms.

We also wish to inform you that a group policy using form series 7050 will be issued to the Trustees of the AARP Insurance Plans, with a situs in the District of Columbia. This is an association that meets the requirements under Arkansas Insurance Code §23-97-305. Residents of Arkansas who are members of AARP may be eligible to apply for coverage under the policy. We previously filed documentation for AARP with the Department under SERFF Tracking Number GEFA-125251368, on September 19, 2007.

We hope you find this material acceptable; however, should you have any questions or require additional information, please let me know.

Sincerely,

Jeanette Mai
